

## Presentation Critique

Date: \_\_\_\_\_

Name of Group/Presenter: \_\_\_\_\_

Your Name: \_\_\_\_\_

1. Did the presenter/group demonstrate effective **planning skills**? Check those skills that apply and provide some details.

_____ They understand the problem	Details:
_____ They shared their ideas and how they tested them (e.g., if something didn't work out, they tried something else)	Details:

2. Did the presenter/group demonstrate effective **processing skills**? Check those skills that apply and provide some details.

_____ Carrying out a plan (e.g., collected data, tested their ideas-revised, if necessary, solved the problem, made conclusions	Details:
_____ Looking back at their solution (checking reasonableness, able to explain when asked questions by others)	

### 3. Communication Corner

-Describe at least one thing that you connected with/found interesting about their thinking.

-List one thing that you think that the group might want to consider incorporating into their solution (i.e., if it exists)

-List *at least* one of the questions or comments you made to the group about their thinking. What did they say as a response?
